Search Me, Try Me

Issue 24 2015-7

Search me, O God, and know my heart: try me, and know my thoughts: And see if there be any wicked way in me, and lead me in the way everlasting. (Psalm 139: 23-24)

This is King David's prayer to God, and also our prayer. Such a prayer requires courage, sincerity and humility.

ORTV has served churches in Singapore for more than 25 years. In these years, we walked through hills and valleys, and experienced many storms. We thank God for his provision! Together with churches, we organized numerous small and large evangelistic meetings attended by tens to thousands of people. We hope that the seeds of the Gospel thus planted have sprouted and grown, and may God personally reward the hard work put in by co-workers and volunteers.

ORTV ministry needs God's partnership. Because only He knows our hearts and minds, we need constantly to ask Him to search and try us. May the work of ORTV ever be pleasing to our Lord.

May we have David's courage, sincerity and humility, to come before God asking Him to search and try us. We ask God to remove all wickedness in us, so that we may continue to follow Him in the way everlasting. We hope that God will always be with us!

May the Lord establish and bless the work of our hands.

Your Co-worker,
Victor

What Do I Believe?

"Tomorrow Will Be Better" is a famous single in the history of Chinese pop music. The song was released in late 1985, painting a beautiful vision and promising hope for the future. Will tomorrow really become better? Three decades have passed. Technology has advanced, information has become much easier to gather and standard of living has improved. But is our life really getting better?

Believing gives strength! Believing effects change! But who do we believe? What do we believe?

When God created the universe, He set rules to govern it. Although there's a saying: "Man can conquer nature", who in God's creation is able to reverse His laws? Day is always followed by night; winter, spring, summer and autumn keep to their order.

When man amplifies himself and damages the earth, there is still good news: God is in control and He changes not!

Sharing this song from Heavenly Melody - "Believe":

BELIEVE

As long as day and night still hear Your command
I will have faith to entrust my life to You
As long as the seasons still comply with its order
I will firmly believe in Your strength to the end

Suddenly the storm could not be resist
Leaving the traces of destruction on the earth
When the storm is over and the sun rise
The miracle of life starts again

Going through the valley of tears,
Crying in the night
Suffering creates true faith
Your faithfulness changes not
Your Word endures forever
From creation till now You are in control

During the second "Angel's Fellowship" this year, staff and volunteers, together with family members, gathered at ORTV Office on 4 July, 5pm. Praise Band was in charge of worship, the Drama Team responsible for food. Our director, Brother Victor, shared about the Taipei ORTV theme for this year's staff retreat: "Connect with Christ". He also recalled a fragment of speech from our founder, Dr. Doris Brougham. Thereafter, Board Chairman Rev. Phua shared a word of encouragement and we continued our fellowship over dinner.

Summoning 300 Warriors

We need you to join us as financial supporters. We thank God that currently, 30 people have agreed to donate monthly (\$30 or more) to ORTV Singapore. If there are 300 of such donors (300 x 30), the gospel work of ORTV will be able to continue. (This is an automatic bank transfer (Giro) donation scheme. On the twelfth month, we will ask donors if they wish to continue on with the monthly deduction.) We trust God for His provision.

We have uploaded sharing resources @ <http://ortv.com.sg/300>

In May next year, the small truck that has accompanied us through rain or shine will be 10 years old and we need another truck to help us transport equipment (props, audio equipment, musical instruments, etc.) for our evangelistic meetings. Due to the high Car Ownership Certificate (COE) fee, preliminary estimates for the van is about S\$90,000. Changing of vehicle is a heavy burden for us. Therefore, we need your prayers and support.

From April to June, ORTV held 4 evangelistic meetings and 1 children's gathering in different churches. Sister Donna Chiu and ORTV Praise Band worked together to present songs and testimonies, in 2 of these meetings. Crosstalk and Drama Team presented "A New Man" in the other meetings. We are thankful to see God at work. We are also grateful to the group of faithful intercessors who have been upholding us in prayer. May all glory go to our Lord!
